Personal Tour Guide in Madagascar

Returning you can enjoy the Coquerel's Sifakas dancing by the campsite.

In the afternoon we will bird Lake Ravelobe looking for Madagascar Fish Eagle, Madagascar Jacana, Allen's Gallinule, White-throated Rail, Glossy Ibis, African Darter, White-faced Whistling Duck, Purple Heron, Humblot's Heron and more.

Overnight at Gite of Ampijoroa.

Day 10 - Ampijoroa/Majunga.

In the morning we will bird for the ones we missed and check out a nearby lake looking for Pygmy Geese and probable Painted Snipe.

We then drive to Majunga spending the afternoon by the hotel.

Overnight at Antsahanitia Resort.

Day 11 - Majunga/Betsiboka/Tana.

Morning boat trip to the Betsiboka Delta to get the scarce Bernier's Teal and White Ibis along with other shore birds such as Terek Sandpiper, Whimbrel, Sanderling, Lesser Crested Tern, Sandwich tern and more.

Returning to Majunga we catch the evening flight to Tana.

Overnight at Sakamanga hotel.

Day 12 - Tana/Tulear/Ifaty.

We will catch a flight to Tulear at the southeast coast and then drive to the spiny forest of Ifaty home of the Long-tailed Ground Roller, Subdesert Mesite, Running Coua, Green-capped Coua, Thamnornis Warbler, Lafresney's Vanga, Archbold Newtonia, Madagascar Plover, Green Pigeon, Madagascar Harrier Hawk and more.

Overnight at la Mira Hotel.

Day 13 - Ifaty.

We will spend the day in the spiny forest to get the target birds and to admire this unique spiny forest with its astonishing vegetation such as Baobabs, Pachypodium, Didiera and Octopus plant. If you want to you can go snorkelling, when it gets hot in the forest or go strolling in the nearby fishing village.

Along the coast at low tide you can get all sea birds such Ringed Plover, Grey Plover, Sanderling, Kitlitz's Plover, Crab Plover, Green-backed Heron and more.

Overnight at la Mira Hotel.

Day 14 - Ifaty/Tulear/Isalo.

Leaving Ifaty we have about 6 hours drive to Isalo with a stop at Zombitse Forest looking for Appert's Greenbull, Giant Coua, day roost of White-bowed Owl, Lesser Cuckoo, Common Neotonia and Hubbard's Sportive Lemur.

Overnight at Isalo ranch.

Personal Tour Guide in Madagascar

Day 15 - Isalo.

In the morning we will try to find Madagascar Partridge and Forest Rock Thrush. We will then visit the Maky Canyons looking for Ring-tailed Lemur and the Verraux Sifaka in their natural habitat. Overnight at Isalo ranch.

Day 16 - Isalo/Tulear.

Returning to Tulear in the afternoon we will bird the bush shrub of laTable looking for Red-shouldered Vanga and Verraux Coua. Overnight at Chez Alain.

Day 17 - Tulear/Anakao.

If we missed the Red-shouldered Vanga we will try again before taking a speed boat to the isolated sacred islet of Nosy Ve (1h30 by boat) where you will see the Red-tailed Tropicbird resident colony. At low tide, shore birds like Lesser Crested and Greater Crested Tern, Sandwich Tern, Saunter's Tern, Crab Plover, Sanderling and Black Egret.

Returning to the fishing village of Anakao on the mainland, you will enjoy a close up view of the Littoral Rock-thrush at our hotel's backyard and later relax on the beach. Overnight at Safari Vezo.

Day 18 - Anakao/Tulear/Tana.

Leave Anakao after breakfast, sail back to Tulear and transfer to the airport for your flight back to Tana. Overnight at Sakamanga hotel.

Day 19 - Anakao/Tulear/Tana.

Transfer you to the international airport for your flight home and end of trip.

N.B:For those who are very keen,any extension to get the rarest birds such as SAKALAVA RAIL,HELMET VANGA,BERNIER'S VANGA, MADAGASCAR POCHARD ...can be arranged but they require some hardship because of the location where they occur.
