

## TREKKING

**The tour emphasises some hikes into national parks.  
For a short time you can see the contrast between the north and the south of Madagascar.  
The hikes involve some steep walk but feasible with a slow pace.**

Day 1: **PARIS-TANA**

Arrival from PARIS.

Custom clearance then acclimatisation in TANA.

A short city tour will be provided depending on your international flight.

Stay at SAKAMANGA HOTEL.

Day 2: **TANA-DIEGO SUAREZ-AMBER MOUNTAIN.**

Fly to DIEGO SUAREZ then drive straight to the AMBER MOUNTAIN national park.

This park is home of two diurnal lemurs: Sanford's brown lemur and the beautiful crowned lemur.

The nocturnal visit allows you to see chameleons and leaf tailed geckos....Even you are a non birder you will be easily fascinated by the endemic birds in this park.

Stay at NATURE LODGE.(The research center dormitory is a good option for a less comfort accommodation)
